How Your Money Is Managed

The Canadian small cap investment specialist applies a value investment style that emphasizes capital preservation to select securities†. The Global small cap investment specialist seeks to invest in the highest quality small cap growth companies in both developed and emerging markets. They believe that earnings drive stock prices and that small companies can grow faster and longer than large ones. Depending on the prevailing market conditions, Counsel Global Small Cap may also invest in mutual fund securities, equities and fixed income securities of issuers anywhere in the world.

*The asset allocation weights depicted above represent the neutral allocations to the Portfolio. The neutral allocation may comprise of a combination of investments in equities, fixed income securities, securities that are designed to track a market index or in other securities.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently, and past performance may not be repeated.

For information on the Portfolio or the underlying Counsel funds, please read the Fund Facts, Simplified Prospectus and/or other reporting documents before investing, available at www.counsel-services.com.
